FREE TREES

Free trees for your sidewalk strip
are available from the City of Richmond!

They dig the hole, plant and stake the tree.
You just water once a week for the first 2-3 years;
twice a week when it's hot.

DID YOU KNOW THAT PLANTING TREES CAN:

- ☀ Increase the value of your property by 15% or more!
- ☀ Reduce carbon dioxide, helping to reduce global warming!
- ☀ Reduce air pollution by absorbing harmful chemicals such as carbon monoxide, sulfur dioxide and nitrogen dioxide!
- ☀ Help to reduce traffic noise and to even slow traffic.

It's easy to get your free tree.

Just complete the attached form.
